DONE ME WRONG SCHLONG

Well it is Italian ya know, mild Italian sausage seasoned expertly.

DON'T BELONG SCHLONG

For those that don't fit in, honey chipotle, zesty with a lick of heat. So good it is socially unacceptable.

Jalapeno chorizo, provocative, fiery and spicy. It's hard to pass on a hot schlong.

SQUIRREL MESS

Looks like what the squirrel did on the post but typically tastes better, don't ask how we know. Seasoned ground beef, smoked bacon and spicy Italian sausage blended with an amazing combination of fresh cabbage, mushrooms, onions and peppers topped with Havarti cheese on a platter.

Perfect for the low carb diet, so save your carbs for beer. No substitutions. It is a take it as is plate, sorry we aren't Burger King. Have it our way! \$10.49
